## Fine News for the Man Who Wants a New Suit

Many a man's suit begins to lose its freshness toward the end of January. Here's the chance to "spruce up" with a handsome Wanamaker \$25 to \$30 Suit

For Only \$17.50

Nothing but fine, high-grade, pure wool fabrics ever go into these Wanamaker Suits; and the very best tailors do the work. Included are neat fancy mixed chevrons, worsteds and velours, and a few plain black and blue chevrons and unfinished worsteds. Coats are in single-breasted sack style; and there is a complete range of sizes, though not in all patterns.

\$25, \$28 and \$30 Suits, today at \$17.50 a Suit

Main floor, Wanamaker Building.

## Good News of FUR CAPS

For Off-Exposed Ears

The automobilist, the driver, the skater—any man who is outdoors much in freezing weather—is interested in this announcement. We have just 105 Fur Caps to be closed out.

They are in the "Driver" shape, with permanent visor; and the "Detroit" shape, with visor that may be turned up or down.

The range of sizes is very much broken; hence the prices are reduced a quarter:

Fourteen Electric Seal and Muskrat Caps that were \$3.50 and \$4, now \$2.75 and \$3. Fifty-nine Pieced Seal Caps that were \$5 and \$6, are now \$3.75 and \$4.50. Twenty-seven Flank Seal Caps that were \$5, \$10 and \$12, are now \$3.75 and \$5. Five Seal Caps that were \$15, \$20 and \$25, are now \$11.25, \$15 and \$18.75.

## Zero Weather

Brings Stirring Fur News

This is one of the most timely offerings of fine Furs that we have ever made. The large magnificent stocks that we have assembled for our new Fur Store have been radically reduced in price just as the zero weather arrives. The offering includes garments and small furs of the most desirable character, and every piece is up to the high standard required by Wanamaker's. The few items listed below are simply representative of the hundreds similarly reduced in our stocks.

At \$35, from \$60—Women's Collarless Coats; made of fine quality black cheviot; lined with gray and white German dressed squirrel.

At \$45, from \$65—Women's Black Russian Foul Coats; pony shape; collarless. Also blouse effect with shawl collar.

At \$55, from \$80—Women's Black Russian Coats; collarless; trimmed with braid and buttons.

At \$75, from \$100—Women's Black Russian Foul Coats, in a variety of styles; plain and braid trimmings.

At \$85, from \$115—Women's Black Russian Foul Coats; finished with embroidery.

Third floor, Stewart Building.

## Fine FRENCH UNDERWEAR

At Lowered Prices

Opportunities to purchase such beautiful underwear below value are rare. American women appreciate the excellent qualities of these dainty garments. Many are enthusiastic in their praise of their durable qualities, declaring they wear even better than domestic garments. Cut after American patterns, they fit well. Made of sheer nainsook, trimmed with hand-wrought embroideries and fine laces, applied with French taste, their beauty is assured.

The pieces are slightly mussed—some no more than you would expect in hand-made garments—they launder well, so that matters little.

NIGHTGOWNS of nainsook, more or less elaborately trimmed and finished with hand-made embroidery and lace, or scalloped edge. At \$3.75 to \$10, were \$5 to \$15.

CHEMISES of nainsook; hand-made, hand-embroidered, or with scalloped edge; others embroidered and lace-trimmed. At \$1.75 to \$5, were \$2.25 to \$7.

DRAWERS of nainsook, with deep ruffles, trimmed with hand-embroidery and scalloped edge. At \$1.50 to \$6, were \$2.25 to \$10.

MARGUERITES of nainsook, variously trimmed with plaits, hand-embroidery and scalloped edge. At \$4.50 to \$10, were \$6.50 to \$15.

PETTICOATS of nainsook, variously trimmed with plaits, ruffles of lace, and hand-embroidery. At \$7.50 to \$15, were \$9 to \$20.

## Still Almost a Hundred PIANOS To Pick a Bargain From

We started Wednesday morning with more than two hundred instruments. More high-grade pianos than past offerings have presented. Many others have since come forward from the work-rooms where they have been rejuvenated.

It is a collection that will appeal to musicians. Splendid uprights, and many magnificent grands which former owners didn't have room for.

The readjusting and tuning which they received at the hands of our experts is such improvement as benefits even a new piano. Better piano values have never been offered—nor better instruments to select from, including fine Chickering Uprights and Grands.

REMEMBER that you need only pay a very small cash sum, and easy monthly instalments.

BEST instruments; LOWEST prices; EASIEST terms.

That is why the piano should be bought at WANAMAKER'S. And NOW is the best time, because of the high character of the instruments in this Sale. These offerings today:
